The figure displays four panels of astronomical data, arranged in a 2x2 grid. Each panel shows a field of stars and galaxies, with a prominent pattern of vertical stripes across the entire set, indicating a scanning artifact. The stars are represented as bright, point-like sources, while the galaxies appear as more extended, elongated structures. The bottom of the figure includes a color bar with numerical labels: 1.95e+03, 1.99e+03, 2.02e+03, 2.06e+03, 2.1e+03, 2.13e+03, 2.17e+03, 2.21e+03, 2.24e+03, and 2.28e+03. The color bar transitions from dark on the left to light on the right, corresponding to the increasing numerical values.
