The figure displays four panels of astronomical images arranged in a 2x2 grid. Each panel shows a field of stars against a dark background. The stars are represented as bright points of light, some with visible diffraction patterns. The panels are color-calibrated, with a color bar at the bottom indicating the intensity scale. The color bar ranges from dark (low intensity) to light (high intensity), with labels in scientific notation: e+03, 2.26e+03, 2.31e+03, 2.35e+03, 2.4e+03, 2.44e+03, 2.48e+03, 2.53e+03, 2.57e+03, 2.62e+03, and 2.66e+03. The panels show a consistent pattern of stars, suggesting they are part of a larger survey or a multi-epoch observation of the same field.
