The figure displays four panels of astronomical data, arranged in a 2x2 grid. Each panel shows a dark, noisy field, likely representing a deep exposure of a celestial object or a blank sky. The noise is characterized by a granular, speckled pattern. A color calibration bar is located at the bottom of the figure, spanning the width of the four panels. The bar is labeled with numerical values: 08, 2010, 2012, 2014, 2016, 2019, 2021, 2023, 2025, 2027, and 20. The bar itself is a gradient from black on the left to white on the right, with intermediate shades of gray.
